His Excellency
The General Secretary of the United Nations Organization
Mr. Kofi Annan
E 42 St 220
New York City, Manhattan
U.S.A.

Excellency,

with the support of the United Nations High Commissioner for Refugees, the African Star Football Club in Hungary does its work in favor of the assimilation of African refugees in Hungary. The football club plays beneficial matches, the income of these matches goes to the support of refugee-projects. An important aspect of our work is the fight against racism, a highly esteemed and morally supported goal of the UEFA association. Our club is the only football-club in the world with this unique mission. I know about your busy schedule, nevertheless it would be for this initiative in Hungary so important to receive a short letter with the moral support of you personally. Our club needs the moral support of the UNO, the highest authority of the world in this matter. Within Hungary we already received the moral support of the country's highest authority, the Office of the President of the Republic. Your letter of recommendation would help us to make our work more stable, firm. Thanking you in advance we are looking forward to hearing from your office.

Yours with best regards
