UNITED NATIONS

NATIONS UNIES

THE SECRETARY-GENERAL

—
MESSAGE FOR THE AFRICAN STAR FOOTBALL CLUB IN HUNGARY
February 2004

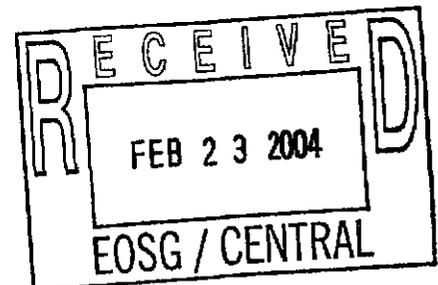

It gives me great pleasure to send my greetings to the African Stars football team in Hungary.

Football and other sports have great power: to inspire individuals; to bring communities together; to help young people develop and grow. The United Nations has long worked with athletes and sports organizations throughout the world to support education and community development, to ease the trauma of refugees, and to promote reconciliation between communities that have been divided by conflict.

I applaud the African Star Football Club for its efforts on behalf of African refugees in Hungary. The athletes who are taking part deserve our admiration for devoting their time and energy, and for working so effectively to complement the work of the Office of the United Nations High Commissioner for Refugees.

You are helping to put football at the service of our common goal: a world of development, dignity and peace. Thank you very much for your contributions, and please accept my best wishes for success.

Kofi A. Annan

His Excellency
 The General Secretary of the United Nations Organisation
 Mr. Kofi Annan
 E 42 St 220
 New York City, Manhattan
 U.S.A.

Excellency,

with the support of the United Nations High Commissioner for Refugees the African Star Football Club in Hungary does it's work in favor of the assimilation of African refugees in Hungary. The football club plays beneficial matches, so we played for example last year against the football-team of the Hungarian Parliament. Our team doesn't play in the national league, the income of the beneficial matches goes to the support of refugee-projects. The Hungarian Republic with it's major authorities, like the Office of the Prime Minister, or the Office of the President of the Republic, acknowledges and supports our efforts with it's moral support - see the enclosed letter from the foreign policy advisor of the President of the Republic. It would be so important to us, that you, Excellency and your responsible colleague knows about our efforts. We also would be so thankful if you could write us a short letter of recommendation with your good wishes for the work and the purposes of our club.

Thanking you in advance we are looking forward to hearing from your office.

Yours sincerely

(Barnabás Kása)
